FROM

M. S. RAMCHENDRA RAO, ESQ., B.A.,
SECRETARY, STORES PURCHASE COMMITTEE,
PUBLIC OFFICES, BANGALORE (S. India).

To

The Chief Secretary
to the Government of H.H. the Maharaja
of Mysore, Bangalore.

Sir,

With reference to paragraph 9 of Government Order No.G.61-120/G.M. 121-23-1 dated 22nd October 1923 calling for classified lists of stores required for the several departments, I am directed to state that the Director of Industries & Commerce in Mysore in forwarding a list ~~of~~ for his department represented that, as it was not practicable in the case of the commercial concerns to forecast the requirements of the raw materials long before hand and it would not also be desirable to maintain larger stocks of raw materials than necessary to execute work orders, he might be permitted to make purchases without reference to the Stores Purchase Committee up to a limit of Rs.4,000/- in the case of oils required for the Soap Factory and Rs.2,000/- in the case of the requirements of other industrial concerns, and also suggested that the industrial concerns might be exempted from the payment of the proportionate charges of the Stores Purchase Committee. The Committee before whom the subject came up for decision resolved that the Director be permitted to make purchases himself of the raw materials required for industrial concerns up to a limit of Rs.3,000/- in the case of oils for the Soap Factory and up to a limit of Rs.2,000/- in the case of all other articles. The Committee are of

of opinion that there is no justification for exempting ~~the~~ these concerns from the payment of proportionate charges as suggested by the Director. A copy of the resolution of the Committee is enclosed.

I am to request that the Committee's resolution may kindly be approved.

I have the honor to be,

S i r,

Your most obedient servant,

Secretary,

Extract from Proceedings of the meeting of the Stores Purchase Committee held on 19th March 1924:--

* * * * *

VI. Proposals of the Director of Industries & Commerce in the matter of enhancing the limit up to which he might be permitted to purchase stores required for his department and also exempting the Industrial concerns from the payment of proportionate charges of the Stores Purchase Committee:--

The Director of Industries urged that as it was not practicable in the case of the commercial concerns to forecast the requirements of the raw materials required long beforehand and as it would not also be desirable to maintain larger stocks of raw materials than necessary to execute work orders registered by the concerns, his powers of direct purchase without reference to the Committee might be fixed at Rs.4000/- in the case of oils required for Soap Factory and Rs.2000/- in the case of other industrial concerns.

After some discussion it was resolved that the limit within which the Director of Industries & Commerce might be permitted to himself purchase raw materials required for the industrial concerns without reference to the Committee might be fixed as follows:--

In the case of oils required for the Government Soap Factory	Rs.3000/-
In the case of all other articles required for all other industrial concerns under the Department	Rs.2000/-.

It was also resolved that there was no justification to exempt the industrial concerns from payment of proportionate charges of the Stores Purchase Committee on behalf of these concerns.
